

# BRCGS Food Safety Issue 9 Update Course

## Course Summary

This course has been written by an experienced food safety consultant on behalf of Verner Wheelock, to help you prepare for your next audit. It looks at the BRCGS Global Standard Food Safety Issue 9 in relation to Issue 8. Audits against Issue 9 began on 1st February 2023, so it is essential your systems are up-to-date.

## Duration

1 day

## Course Structure & Content

The changes are discussed section-by-section with plenty of time for discussion and input from the group. This course will provide you with the practical information needed to incorporate the changes into your own systems.

It includes:

- ◆ Reason for changes and GFSI requirements
- ◆ Key points
- ◆ Clause by clause update
- ◆ Practical problem-solving workshops
- ◆ Question and answer session

## Course Delivery / Format

### Classroom:

Delivered face-to-face at our training centre in Skipton, North Yorkshire UK.

### Remote:

Delivered live and online so you'll require a computer and Internet connection

*Full details and login information will be provided before the start of the course*

## Who Should Attend?

Lead Auditors and audit team members with a responsibility for compliance with BRCGS Food Safety Standards.. It is recommended that delegates obtain their own copy of the new Standard prior to attending the course.

## Entry Requirements

No formal entry requirements.

## Learning Outcomes

You will understand the differences between the BRCGS Global Standard for Food Safety Issue 8 and the BRCGS Global Standard for Food Safety Issue 9. This should equip you with the knowledge to ensure your company is compliant prior to your next official audit.

BRCGS92023v2
