

Ethical Trading Workshop

Course Summary

This course will detail the issues covered by the ETI Base Code and their application to UK suppliers. It is ideal for growers, food processors and packaging companies who are preparing for a SMETA ethical audit, so that they can meet their legal requirements and the expectation of their customers.

Who should attend?

This workshop is suitable for anyone involved in the process of ethical audits including HR Managers, H&S Managers and Site Managers. It will be of interest to those who need to understand the basics of the ETI Base Code in order to implement an ethical trading policy and prepare for a SMETA ethical audit.

Entry Requirements

There are no formal entry requirements.

Course Content

The workshop will help you to comply with the ETI Base Code and have a successful ethical audit. The course will cover each clause of the ETI Base Code in detail along with some of the common issues that you may encounter.

- Working conditions
- Health and safety
- Wages
- Working hours
- Freedom of association and collective bargaining
- Right to work and regular employment
- Discrimination
- Child labour

Using case studies and examples of best practice, this workshop will be participatory and interactive, with lots of opportunity to ask questions and discuss issues raised by participants.

Assessment

There is no formal assessment.

Course Fee

£370 or 2 for £650 + VAT

Course fee includes:

- Course folder and notes
