

FDQ Enabling A Positive Food Safety Culture

Course Summary

This one-day course incorporates the food safety culture requirements of the BRCGS Global Standard for Food Safety and leads to the FDQ Certificate in Enabling a Positive Food Safety Culture.

Designed for anyone with a leadership, managerial or supervisory role within the food industry, the training will communicate the benefits of a positive food safety culture and assist you with its implementation. It will show you how to lead by example and develop a mindset for continuous improvement throughout your company.

Duration

1 day
