

ONE DAY CONFERENCES

Thursday 9 March 2006
Askham Bryan College • York

Monday 27 March 2006
Buile Hill Park Hall • Salford

Healthy Eating in Schools

making it work

These conferences focus on the practicalities of implementing **Healthy Eating in Schools**, with the emphasis on case studies which have clearly been successful.

Any school that has not yet taken action on healthy eating would be strongly advised to send one or more representatives to these conferences.

Target audience

- Headteachers
- Teachers
- Parents
- Governors
- Caterers
- Health promotion professionals
- Food suppliers
- School bursars

Substitution

Delegates

If you cannot attend, you may substitute at any time. Once the booking form has been received by Verner Wheelock Associates Ltd, you are liable for payment.

Programme

It may be necessary, for reasons beyond the control of the organisers, to alter the content, the timing of the programme or identity of the speakers.

Verner Wheelock Associates (VWA) is a leading food industry training centre offering nationally recognised qualifications in Nutrition & Health, Food Safety, HACCP and Auditing Skills. VWA also has extensive experience of providing in-house courses at venues around the UK, tailored to individual company requirements.

VWA offers consultancy and project management services to provide food companies and local authorities with the practical support and constructive advice needed in today's competitive market.
